

July 10, 2018

Dear Osceola Community Business Contributor,

The 2018 Osceola Community Fair is just around the corner, and our community's young women are entering candidacy to become a member of the 2018-2019 Miss Osceola Royalty. We would appreciate your support this year! The minimum donation to sponsor the Miss Osceola program is **\$50.00**. This donation will help the current court represent our community in neighboring events and parades by contributing toward float maintenance, gas, and participation fees. The **\$50.00** donation will also support Miss and Little Miss Candidates at multiple events including formal interviews, Little Miss Picnic, the Titan Boat Trip, and other activities representing our great community. Any donations above \$50 will be graciously accepted!

The Osceola Queen's Committee has decided on having each business be a sponsor to the program as a whole rather than one individual candidate. But don't worry! You will still have an assigned Miss or Little Miss Candidate distribute buttons and represent your business! This will make the process easier on all involved parties. Thank you for your cooperation and support this year.

Please return candidate selections and sponsorship fee by **August 1, 2018**. Donations will be accepted beyond this date, however your business may not meet all advertising deadlines. Your business will be acknowledged in the candidate event programs for all official judgments, at the Queen's Booth throughout the Osceola Community Fair, on the cars/trucks in the Grande Day Parade, and, of course, at the coronation.

Without the support of local businesses, the Miss Osceola organization would not be successful in providing young women opportunities that help shape their character, build their confidence and represent this community.

Further details about the Osceola Queen Candidates and Osceola Royalty can be found on the Osceola Royalty Facebook page. Also, please check out our website: www.osceolacommunityfair.com. Should you have any questions, comments, or concerns, feel free to contact any member of the Osceola Queen's Committee.

Best Regards,
The Osceola Queen's Committee
